

Welcome to Tuesday.

- Please use paper & pencil or pen for note taking for motor session (no, really) (yes, there is a reason)

Your entertainment for the AM (w/ interspersed breaks)

KT - motor

GB - comp in motor

KT - prosthetics

KT - imaging intro

GB + KT - how to model

How to (why to) Model - KT

- Biomimickry (Psychomimickry)

- Scientific Method / Hypothesis Test

(e.g. if one model: variance accounted for
even better: H1 vs H2 for different models)
